DETAILED ACTION

1. According to paper filed on July 19, 2004, the applicants have canceled claims 1-41 and furthermore, have added new claims 42-46 and 48.
2. Claims 42-46 and 48 are now pending in the application.

EXAMINER'S AMENDMENT

3. The following editorial change was made in claim 48.

Claim 48 is renumbered as claim 47 since there was no claim numbered 47 present in the application.

REASONS FOR ALLOWANCE

4. The following is an examiner's statement of reasons for allowance:

Claims 42-47, renumbered as 1-6 are allowed since the applicants have amended claims to be entitled to an earlier priority date of March 10, 1998 based on their provisional application and therefore, the cited Carson's reference is not a prior art reference under 35 U.S.C. 102(e). It is of note that the compounds of instant claims differ in structure from the claimed compounds of Carson's reference and therefore, there is not an issue of an interference. Thus, rejection under 35 U.S.C. 102(e) is now withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany

the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
